

PADI OPEN WATER DIVER COURSE

Dive2go staff has been training new divers in Australia & the South Pacific for more than 20 years. Now is the time for you to dive into the PADI Open Water Diver course and begin your world of exploration underwater! Whether you want to dive with colorful fish, manta rays, or even sharks, as a PADI Open Water Diver you have the freedom to dive with a buddy anywhere in the world!

Who should take this course?

If you've always wanted to take scuba diving lessons, experience unparalleled adventure and see the world beneath the waves, this is where it starts. Get your scuba diving certification with the PADI Open Water Diver course – the world's most popular and widely recognized scuba course. Millions of people have learned to scuba dive and gone on to discover the wonders of the aquatic world through this course. To enrol in a PADI Open Water Diver course (or Junior Open Water Diver course), you must be 10 years old or older. You need adequate swimming skills and need to be in good physical health. No prior experience with scuba diving is required.

What will you learn?

The PADI Open Water Diver course consists of three main phases:

- Knowledge Development (online, independent study or in a classroom) to understand basic principles of scuba diving
- Confined Water Dives to learn basic scuba skills
- Open Water Dives to use your skills and explore! The Open Water ocean dives, which there are 4 dives, can be done from the shore. However, many students choose to upgrade their dive experience with a boat trip (2 dives). Contact Dive2go to discuss what option is best for you.

How can you start learning now?

You can start learning with PADI's home-study materials – or the *Open Water Diver Manual* and *Open Water Diver Video* (a book and DVD package). Contact Dive2go to enrol in the course, get your materials and start reading the book and watching the video. Your Dive2go PADI Instructor will schedule time with you to check your progress and make sure you understand important scuba diving information. Also you can enrol in Open Water Diver Online – PADI's eLearning option or our most popular program the Complete *Open Water Diver Touch™* (a tablet app) – and you can start learning right away. PADI Open Water Diver Online gives you the background information you need to dive safely and allows you to study at your own pace through an interactive computer-based program. Upgrade & get started now! Contact Dive2go to discuss what option is best for you.

What scuba gear will you use?

In the PADI Open Water Diver course, you learn to use basic scuba gear, including a mask, snorkel, fins, regulator, buoyancy control device and a tank. The equipment you wear varies, depending upon whether you're diving in tropical, temperate or cold water. Check with your Dive2go about the gear you'll use during this course.

What do you need to enrol in the PADI Open Water Diver Course?

Open Water (only) courses students over 45 years or who exceed a BMI requirement or have pre-existing medical conditions will require a dive medical prior to entering the water. Medical cost is not included in advertised prices.

Price: Start from \$595. Contact Dive2go to discuss what option is best for you.
